Good Evening,

I would like to extend an invitation to you to attend a meeting this Wednesday from 4:00-5:30 at our Glassell Park office to discuss Big Belly trash receptacles. The meeting is an opportunity for us to discuss partnerships with our office to place more of these bins through out CD1. The bins hold 10 times as much as a regular bin and are solar powered to send a signal to the Bureau of Sanitation when they are ready for pick up. The meeting is comprised of community and business leaders, such as yourself, to discuss this great opportunity to the First District. Please let me know if you are able to attend to accommodate space for everyone.

Thank you and I look forward to working with you to clean up Highland Park!

Melinda Ramos- Alatorre
Field Deputy
Los Angeles City Council, District 1
